- to open her postcard.
- to close her postcard.

Dear Munn,

I hope you are OK

I'm in the centre of Manchester with my friends, Jessica and Luke. I'm in a very nice café. It's called The Web Café.

This is a brilliant city for culture. There are a lot of museums. My favourite museum is Urbis. It's the museum of city life. The museums here have got great gift shops. There are a lot of great clothes shops and music shops in Manchester, too.

See you soon.

Lots of love,

Lena
